

LoveScan AI Privacy Policy

Effective Date: June 29, 2026

Welcome to LoveScan AI.

Your privacy is important to us. This Privacy Policy explains how LoveScan AI collects, uses and protects your information.

Information We Collect

When using LoveScan AI, we may collect:

- Email address (if you create an account)
- Uploaded conversations and screenshots
- Dating profiles or profile images submitted for analysis
- Device information
- App usage statistics
- Subscription status

We do not sell your personal information.

How We Use Your Information

Your information is used to:

- Generate AI-powered analysis
- Improve our AI models and user experience
- Process subscriptions
- Detect abuse and fraud
- Provide customer support

AI Analysis

Uploaded conversations, screenshots and profile information are processed solely for generating AI analysis requested by the user.

We do not claim ownership of your uploaded content.

Data Storage

Your previous analyses may be securely stored so you can access your analysis history across devices.

You may request deletion of your account and associated data at any time.

Third-Party Services

LoveScan AI may use trusted third-party services including:

- Apple
- Google
- RevenueCat
- Firebase
- OpenAI
- Google Gemini

These providers process data according to their own privacy policies.

Security

We use commercially reasonable security measures to protect your information. However, no online service can guarantee absolute security.

Children's Privacy

LoveScan AI is not intended for users under the age of 13.

Changes

This Privacy Policy may be updated from time to time.
