

Privacy Policy – Dual Camera Opia

Effective Date: May 2026

Dual Camera Opia respects your privacy. This Privacy Policy explains how information is handled when you use the app.

Information We Collect

Dual Camera Opia does not collect, store, or share personal information such as:

- Name
- Email address
- Phone number
- Location data
- Photos or videos

All recordings created with the app remain on your device unless you choose to share them manually.

Camera and Microphone Access

The app requires access to:

- Camera: to record videos using front and back cameras
- Microphone: to record audio with videos

These permissions are used only while the app is active and recording.

Data Storage

Videos recorded with Dual Camera Opia are stored locally on your device. The app does not upload your recordings to external servers.

Third-Party Services

The app may use third-party services such as:

- Apple services
- Google AdMob
- Firebase Analytics

These services may collect limited technical information according to their own privacy policies.

Advertising

If advertisements are shown in the app, third-party advertising providers may use device information to deliver and improve ads.

Children's Privacy

Dual Camera Opia does not knowingly collect personal information from children.

Security

We take reasonable measures to help protect your information and device data.

Changes to This Policy

This Privacy Policy may be updated in the future. Changes will be reflected on this page.
