Talking Translator - Opia • Last updated: July 23, 2026

1. Agreement

This End User License Agreement ("Agreement") is a legal agreement between you ("User" or "you") and Mehmet Kaplan ("Developer", "we", "us") governing your use of the mobile application "Talking Translator - Opia" (the "App"). By downloading, installing, or using the App, you agree to be bound by the terms of this Agreement. If you do not agree, do not use the App.

2. License Grant

The Developer grants you a limited, non-exclusive, non-transferable, revocable license to download and use the App on any Apple-branded device that you own or control, solely for your personal, non-commercial purposes, in accordance with the Apple App Store Terms of Service and this Agreement.

3. Restrictions

You may not: (a) copy, modify, or create derivative works of the App; (b) reverse engineer, decompile, or disassemble the App, except to the extent permitted by applicable law; (c) rent, lease, lend, sell, redistribute, or sublicense the App; (d) remove or alter any proprietary notices; or (e) use the App for any unlawful purpose or in any manner that could damage or impair the App or its services.

4. Translation Services and Accuracy

The App provides automated translation, speech recognition, and text recognition features. Translations are generated automatically and may contain errors or inaccuracies. The App is not a substitute for professional human translation. You should not rely on the App for legal, medical, financial, or other critical communications. The Developer makes no warranty regarding the accuracy, completeness, or reliability of any translation.

5. Permissions

The App may request access to your microphone (for voice translation), speech recognition, camera and photo library (for image-based text recognition). These permissions are used solely to provide the App's features. Text recognition from images is performed on your device. You may manage or revoke these permissions at any time in your device settings.

6. Third-Party Services and Advertising

The App uses third-party services, including Google AdMob, to display advertisements, and a third-party translation service to process translation requests. Your use of these services is subject to their respective terms and privacy policies. The Developer is not responsible for the content, accuracy, or practices of any third-party service.

7. Privacy

Your use of the App is also governed by our Privacy Policy, which describes how information is collected and used. By using the App, you consent to the data practices described in the Privacy Policy.

8. Intellectual Property

The App, including its design, code, graphics, and content, is owned by the Developer and is protected by copyright and other intellectual property laws. This Agreement does not grant you any rights to trademarks, logos, or service marks of the Developer.

9. Disclaimer of Warranties

The App is provided "AS IS" and "AS AVAILABLE" without warranties of any kind, whether express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, and non-infringement. The Developer does not warrant that the App will be uninterrupted, error-free, or secure.

10. Limitation of Liability

To the maximum extent permitted by law, the Developer shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of data, profits, or revenue, arising out of or related to your use of or inability to use the App, even if advised of the possibility of such damages.

11. Termination

This Agreement is effective until terminated. Your rights under this Agreement will terminate automatically without notice if you fail to comply with any of its terms. Upon termination, you must cease all use of the App and delete it from your devices.

12. Changes to this Agreement

The Developer may update this Agreement from time to time. Continued use of the App after any changes constitutes your acceptance of the revised Agreement. We encourage you to review this Agreement periodically.

13. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Republic of Türkiye, without regard to its conflict of law provisions, except where local consumer protection laws require otherwise.

14. Apple-Specific Terms

This Agreement is between you and the Developer only, not with Apple. Apple is not responsible for the App or its content. In the event of any failure of the App to conform to any applicable warranty, you may notify Apple, and Apple may refund the purchase price (if any). Apple and its subsidiaries are third-party beneficiaries of this Agreement and may enforce it against you.
